

Where Christmas Comes Alive

GISBOROUGH HALL

COUNTRY HOUSE HOTEL & SPA

Christmas begins with a feeling

The excitement of counting down the days, the warmth of loved ones gathered around the table, and the clink of glasses as the season is celebrated together.

You'll find the Christmas feeling in the laughter over a festive feast, the first sip of a winter cocktail, and the sound of Christmas music filling the room. It can be felt in the cosy glow of the log fire, the twinkle of lights on the spruce tree, and the comforting scent of mulled wine in the air.

Christmas lives in the memories we make and those special moments you remember for years to come. So, whether you're raising a glass with friends, gathering with family, or celebrating the season with colleagues, join us this festive season and make it one to remember.
