### The Ceremony

Host your civil ceremony in one of our celebration spaces, each with their own unique character and features, where friends and family can gather to witness your vows.

### Wedding Reception

After your ceremony, or on arrival from church, enjoy a glass of fizz in the rose garden as guests join you for photographs in the hotel's beautiful grounds.

Our team of chefs celebrate local, seasonal produce and will prepare a delicious wedding breakfast for your first meal as newlyweds. Indulge in three courses, followed by coffee and chocolates and raise a glass to the wedding speeches.

### Sleep Tight

After a day of celebrating, we'll present you with the key to a complimentary four poster room and your guests can enjoy an overnight stay at a discounted rate. Gather again the following morning and share memories of your special day over a full Yorkshire breakfast.
